

TRANSIT OPERATORS VEHICLE PROCUREMENT SURVEY
--

1. Does your agency have any active transit vehicle procurements at this time?
2. If your agency currently has active transit vehicle procurements, please provide the following information:

Vendor/contractor name, address, phone number:

Type of vehicle (ex. 40 ft, low floor, CNG transit bus):

Specifications (configurations) of the vehicles:

How many vehicles (of each type, if more than one type):

Number of option vehicles available:

*

Delivery Date(s) of vehicles for each type of vehicle:

Contract Term:

Cost of each vehicle:

Cost of Contract:

3. If the answer to question 1 is "no," does your agency plan to procure any transit vehicles in the next 2 years? Please provide as much information as possible about your "planned procurement" of transit vehicles, including but not limited to vehicle size, fuel source, and quantity. Use additional paper if necessary.
